

FAT CAT RESCUE, INC.

CAT FOSTERS

NEEDED

"Fostering is so rewarding because it allows you to provide one-on-one care for cats who are struggling physically and/or mentally. This gives cats a chance to heal and ultimately help them overcome challenges that once made them seem unadoptable." - Julia, Foster/Volunteer

WHY FOSTER?

- Fostering creates space at the rescue to save more lives while giving cats the care and comfort they need to thrive.
- It's a chance to help them heal, socialize, and reveal their unique personalities, making it easier to find their perfect homes.
- It's an emotionally fulfilling way to make a difference in your community.

Who Can Foster?

- Anyone with a safe, loving home with spare room or bathroom.
- No experience? No problem! We'll guide you every step of the way.

What We Provide:

- Food, litter, and supplies.
- Veterinary care.
- Support from our team.

What You Provide:

- A temporary home filled with love.
- Time and patience to care for a cat in need.
- A willingness to help us find their forever family.
